H1N1 Vaccination :

The preventive medicine unit, department of community medicine, KIMS Hospital and Research centre (KIMSH&RC) was involved in the H1N1 vaccination of the medical and health staff of KIMSH&RC, Bangalore-04. About 800 people including doctors, staff nurses, lab technicians, ward boys, ayahs etc were immunized with the single dose H1N1 vaccine from 06/04/10 to 08/04/10.

World Health Day-2010 :

6th term students made presentations on the world health day theme 2010 – Safe Lives, Make Hospitals safe in Emergencies. About 100 students from 6th term participated. The staff of the department of community medicine were present. The presentation was followed by distribution of certificates to the students & discussion on the subject.

Guest Lecture-April 2010 :

A guest lecture on community health was organized on 19th April 2010 at Lecture Hall-1, KIMS College, Banashakari-II stage. This lecture was an initiative of Institute of Public Health, Bangalore. About 100 students from 6th term, staff and post graduates from the department had participated. Dr. Shiridi Prasad Thakur and Dr. Roopa Devadasan were the guest speakers who informed the audience about their experiences working in the field of community health. This was followed by question and answer sessions.

Visit to Hospital Waste Treatment plant :

The staff and Post Graduates of the department of Community Medicine visited the Mardi Hospital Waste Treatment plant on 23rd April 2010. The functioning of the plant and other related topics were discussed with staff of the treatment plant. This visit was planned as a part of the training programme for the post graduate students.

Guest Lecture :

A guest lecture on public health for post graduates of community medicine was organized by KACH at the Medical Education Unit, KIMS, Bangalore. About 30 post graduates and staff had attended. An interactive discussion was held at the end. Dr B G Parasuaramalu, Professor and HOD, formally handed over the president of KACH to the new president.

Menactra Vaccine trial :

A Phase –III clinical trial for safety and efficacy of meningococcal vaccine was conducted at the preventive medicine unit, KIMSH&RC from April to November, 2010. About 100 healthy volunteers were administered the vaccine.

World Rabies Day, September, 28th 2010 :

On the occasion of World Rabies Day - 2010, “End Rabies Rally” was conducted by the Adopt a Village, project implementation team at Kumbalgodu, Gerupalya and Tagachakuppe villages involving school children, teachers, village leaders, medical and veterinary professionals on Saturday, 25. 09. 2010. Drawing and painting competition was also organized for the school children about Rabies prevention on 23.09.10.

Hand Hygiene :

The department of community medicine & microbiology was one of the study centres involved in the pilot study on hand hygiene. This was a study conducted for Indian Public Health Association & HUL. About 100 school children from a urban school in Bangalore were observed, interviewed & swabs collected. The study also involved clinical examination and laboratory examination of the school children. Dr Jayanthi Srikant, Associate Professor was the leader of the team.

Urban Health Check Up :

The department of Community Medicine was involved in the screening for Diabetes Mellitus and Hypertension among the urban poor of Bangalore between 2-10-2010 to 31-12-2010 at 6 places in Bangalore south (C.T.Bed,Yarabnagar,Banashankari,Jayanagar, J.P.Nagar,N.S.pallya). The study was done in UFWC areas of the following centers. A total 3401 number of persons screened .666 hypertension, 425 diabetes & 213 patient with both HT& DM were detected during the study period. The Interns were actively involved in the programme. Dr Jayanthi Srikanth, Associate Professor was the coordinator of the programme.

Rabies stall at Dasara Exhibition, Mysore, 12th -20th October,2010 :

The staff & PGs of the department of community medicine, KIMS, Bangalore along with the Rabies in Asia (RIA) foundation had established a Rabies awareness stall from 12th -20th October, 2010 at Shushrutha Medical exhibition, Exhibition grounds, Mysore Dasara, Mysore. The team was lead by Dr. N. R. Ramesh Masthi, Associate Professor & Member, RIAF, department of community medicine, KIMS, Bangalore. The stall was inaugurated by Mr.Madhusudana, MLC, Govt. of Karnataka,Mr.Devpal,President, Karnataka Vasthupradarshana Pradhikar (KVPP) and Mrs. Bharathi, Assistant Commissioner and working president of KVPP on Tuesday,12thOctober, 2010 at 7.30PM. The rabies education stall had various health education materials like rabies information board, posters in both kannada and english, placards, antirabies vaccines and Immunoglobulin. A rabies quiz comprising of 5 questions both in Kannada and English was organized for students. Rabies film DVDs - both technical and public rabies awareness were distributed to the various teaching institutions. About 5000 people including 4000 school & college students had visited the stall.

Dr. M K Sudarshan, Dean & Principal & Professor of Community Medicine,KIMS Bangalore and President ,Rabies in Asia(RIA) foundation along with other members had visited the stall on the concluding day (20.10.10) and had attended the valedictory programme.

Adopt a village –A rural rabies prevention project—Visit of Dr. Deborah J Briggs, Executive director, GARC (13.11.2010):

Visit to Project villages : Dr. Deborah J Briggs, Executive director of Alliance for rabies control(GARC) and Dr. M K Sudarshan, Dean & Principal & Professor of Community Medicine, KIMS, Bangalore and President Rabies in Asia (RIA) foundation along with the other project team members visited the project villages in the forenoon of 13/11/10 as a part of the joint appraisal programme. Dr. Briggs inaugurated the pre exposure IDRV campaign at the first village tagachuppe.

This was followed by a lecture to the Stree Shakti(women empowerment) group members, Community members, ASHA workers on rabies and its prevention by the adopt a village project volunteers also known as rabies volunteers (trained in rabies prevention). Various health education materials developed for awareness regarding rabies and its prevention was shown to the team. Prizes were distributed to the winners of drawing and painting competition. The animal welfare activities conducted in the village was also shown to the team members. The team visited the ICDS centre and looked at the posters on rabies. The team also went around the village and observed the rabies prevention messages painted on the wall.

The team subsequently visited the next village(Kumbalgodu).Here the VII standard students of the Government higher primary school were shown the new rabies public film in Kannada.The snake & ladder game developed for rabies education was played by the students. The rabies education name labels used in the notebooks was also shown.

The team arrived at the third village (Gerupalya) and interacted with the village leaders, school children, school teachers, rabies volunteers, self help group members. The members informed the team about the various activities they had done in the village on rabies education and prevention. A kamsala kunitha (Folk dance) team conclude the village visit by enacting a play on rabies prevention to the population at the centre of the village.

Joint Appraisal Meeting: Seminar Hall, KIMSH&RC (13.11.2010):

The afternoon session of the joint appraisal meeting was held at the Seminar hall, KIMSH&RC. The programme started at 3.300 pm and concluded at 6.30 pm. About 50 Invitees representing medical, veterinary, corporate & animal welfare activist attended the meeting.

Dr. M K Sudarshan, Dean & Principal & Professor of Community Medicine, KIMS, Bangalore and President Rabies in Asia foundation(RIAF) welcomed the delegates and spelt out the objectives of Joint Appraisal programme. Dr. D H Ashwath Narayana, Project coordinator and Professor of Community Medicine, KIMS, Bangalore spoke on Adopt a village: A rural rabies prevention project – An overview and covered all aspects of the project.

Dr. N R Ramesh Masthi, Project Officer Medical and Associate Professor, Department of Community Medicine, KIMS, Bangalore spoke on the results of baseline medical survey , surveillance on the human /animal rabies incidence and animal bite incidence.

Dr. M L Satyanaraya, Project officer Veterinary and Professor of Pathology, Veterinary College, Bangalore spoke on the results of baseline veterinary survey ,laboratory diagnosis and animal welfare activities conducted. This was followed by an open house discussion at the end of the session. Dr. Deborah J Briggs, Executive director, GARC summarized the

days activities and was of the opinion that this was an excellent project to demonstrate the concept of one health to the entire world. This was followed by screening of the rabies public film (English) to the delegates. Dr H S Ravish Associate Professor, Department of Community Medicine, KIMS, Bangalore proposed the vote of thanks.

3rd International symposium of Rabies, Cairo,Egypt (22-24th,Dec,2010) :

Dr. M K Sudarshan, Dean & Principal & Professor of Community Medicine, KIMS, Bangalore and President Rabies in Asia (RIA) foundation, Dr. D H Ashwath Narayana, Professor, Dr. N R Ramesh Masthi, Associate Professor, Dr H S Ravish Associate Professor, had participated and presented research papers on rabies at the 3rd International symposium of Rabies held at Cairo,Egypt from 22/12/2010 to 24/12/2010.

Pulse Polio Immunization Programme - NID rounds of Jan,23 & Feb,27 -2011 :

The department has been in the forefront of the polio eradication programme since its inception 16 years back (1995) continuously till date without a break. The polio warriors i.e undergraduate students of 4th & 6th term students, Interns, PGs & staff of Community Medicine were actively involved as supervisors, volunteers & service providers in the NID rounds of PPI on 23th ,January, 2011 & 27th February 2011.

Evaluation of MDA programme- filariasis, Bidar, 7th –11th,February,2011 :

The department was involved in the in the evaluation of Mass Drug Administration of Filariasis and collection of information on malaria in Bidar district, Karnataka from 7th –11th, February, 2011 for RIHFW,Bangalore. Dr Koradhanyamath, Assistant Professor lead the team along with the postgraduates Dr Praveen Kulkarni and Dr Ramesh Holla.

Indira Gandhi National Open University (IGNOU), New Delhi:

The 15th batch of IGNOU students in the Post Graduate Diploma in Maternal & Child Health course completed the contact programme during the year. About 10 students had enrolled for the course.

Rabies-An eventograph of 25 years of academic pursuit (1986-2011):

The department of community medicine has completed 25 years working for the prevention and control of rabies in India. To mark this occasion Rabies -An eventograph of 25 years of academic pursuit was published by the department. The eventograph was released by Dr F.-X.Meslin - Team leader, Zoonotic division, WHO, Geneva at the RIA-SAARC-ICM on rabies, 24th-26th,February, 2011, Mysore.

4.Rabies control in India : Perspectives and Prospects: **M K Sudarshan**, 5th Pan Commonwealth Veterinary conference at Accra,Ghana,West Africa, March, 2011.

5.Preexopure rabies vaccination rabies elimination-**D H Aswath Narayana**,3rd Intenational symposium on rabies held at Cairo,Egypt from 22/12/2010 to 24/12/2010.

6.An appraisal of implementation of Intradermal rabies vaccination in kerala. F-X Meslin, Thomas Mathew, **D H Ashwath Narayana**, G. Sampath and **M K Sudarshan**, 3-4th July, New3-4th July, New Delhi, APCRICON, 2010. Delhi, APCRICON, 2010.

7. Adopt a village-A rural rabies prevention project, Medical - **D H Ashwath Narayana** : A joint appraisal meeting, Seminar hall, 6th floor , KIMSH&RC ,

Bangalore, 13th November, 2010.

8. Indian rabies policy,2010- **D H Ashwath Narayana** : 55th National Annual IPHA conference held at Belgaum 28th – 30th January 2011.

9. Role of Rabies Immunoglobulins(RIGs) in prevention of rabies— **D H Ashwath Narayana**: SARRIACON 11 ,Mysore 21st - 26th february,2011.

10.Adopt a village project-A rural rabies prevention project - **N R Ramesh Masthi**, B L Satyanarayana, **D H Aswath Narayana , Praveen Kulkarni** - 3-4th July,New Delhi, APCRICON,2010.

11.Adopt a village-A rural rabies prevention project:Results of the baseline survey (Medical),2010— **N R Ramesh Masthi**: A joint appraisal meeting, Seminar hall, 6 th floor, KIMSH&RC, Bangalore, 13th November, 2010.

12.Adopt a village-A rural rabies prevention project- Project report : **N R Ramesh Masthi**: SARRIACON11, Mysore 24th- 26th , February, 2011.

13.Dirty hand study- **Jayanthi Srikanth**, 55th National Annual IPHA conference at Belgaum 28th – 30th January 2011.

14.Clinical evaluation of safety of Equine Rabies Immunoglobulin among animal bite victims-**Ramesh Holla**: 3-4th July,New Delhi, APCRICON,2010.

15.Profile of allergen sensitivity among patients suffering from chronic urticaria - **R Balaji , B G Parasuramalu & B C Satish Kumar** : Annual conference of allergy ,asthma & applied Immunology, Jaipur,2010.

16.Mid term evaluation of National Anti

Malaria Programme in Raichur district, Karnataka, India— **Giriyana Gowda**, Post Graduate-22 nd Annual conference of KACH held at SDMC, Kolar, 23-24 th October, 2010.

17. An evaluation of mass drug administration (MDA) for the elimination of lymphatic filariasis in raichur district ,Karnataka, India : **S G Kishore** , Post Graduate-22 nd Annual conference of KACH held at SDMC, Kolar, 23-24 th October, 2010.
18. Clinical evaluation of safety of equine rabies immunoglobulin: -**Ramesh Holla**,Post Graduate-22 nd Annual conference of KACH held at SDMC, Kolar, 23-24 th October, 2010.
19. Prevalence of Beta Thalassaemia trait among pregnant women attending ANC clinic in a PHC by using NESTROF test.- **Praveen Kulkarni**,Post Graduate-22 nd Annual conference of KACH held at SDMC, Kolar, 23-24 th October, 2010.
20. Profile of allergen sensitivity among patients attending allergy clinic at KIMS Hospital ,Bangalore : - **T K Pramod** ,Intern-22 nd Annual conference of KACH held at SDMC, Kolar, 23-24 th October, 2010.

Poster Presentation:

21. Prevalence of bronchial asthma & its association with smoking habits among adult population in rural area—**B G Parasuramalu** 5th to 8th December, 2010 World Allergy Congress, Dubai, UAE.
22. Prevalence of obesity among elderly in the urban field practice area of Kempegowda Institute of Medical Sciences, Bangalore - **T V Sanjay** IMA CHS Annual C M E on 5th and 6th February-11,Bangalore.
23. Profile of allergen sensitivity among

patients suffering from allergic disorders - **Chitra Nagaraj** IMA CHS Annual CME on 5th and 6th February 11,Bangalore.

24. Expenditure incurred on health care by diabetics in the urban field practice area of Kempegowda Institute of Medical Sciences, Bangalore.- **Chitra Nagaraj** IMA CHS Annual CME on 5th and 6th February 11,Bangalore.
25. Clinical evaluation of safety of Equine Rabies Immunoglobulin among animal bite victims - **Ramesh Holla**: 55th National Annual IPHA conference held at Belgaum 28th – 30th January 2011.
26. Profile of Allergen sensitivity among patients suffering from Chronic Urticaria - **R Balaji**: 55th National Annual IPHA conference held at Belgaum 28th – 30th January 2011.
27. Adopt a village- A rural rabies prevention project – **Praveen Kulkarni**: 55th National Annual IPHA conference held at Belgaum 28th – 30th January 2011.
28. Prevalence of Obesity among elderly in urban locality Bangalore – **D P Arun Kumar**: 55th National Annual IPHA conference held at Belgaum 28th – 30th January 2011.

29. Safety of equine rabies immunoglobulins among animal bite vitims-**Ramesh Holla**: IMA CHS CME on 6thFebruary11,Bangalore.

The research presentations of **Dr Praveen Kulkarni & Dr T K Promod** was awarded the KACH Millenium Award at the 22 th Annual conference of KACH held at SDMC, Kolar, 23-24 th October, 2010.

The research presentations of **Dr Ramesh Holla** was awarded the best poster presented at the 55th national conference of IPHA,January,2011 .

Staff Activities(Important):

Dr M K Sudarshan

- **Associate editor** - RGUHS Journal of Medical Sciences, Bangalore.
- **Organiser & key Speaker**-3RD International Symposium on rabies, Cairo, Egypt, Dec, 10.
- **Key Speaker** - RIA—SAARC—ICM, Mysore.
- **Key Speaker** - 5th Pan Commonwealth Veterinary conference at Accra, Ghana, West Africa, March, 2011

Dr B G Parasuramalu:

- **Facilitator** in the Third Annual Post Graduate Refresher Course held on June 17th & 18th 2010 at SJMC, Bangalore.
- **Faculty member** at the National level Physician training workshop on Allergy Asthma and Applied Immunology held at Mysore, India from 4th Aug to 8th Aug 2010 conducted by Indian Academy of Allergy and Asian Allergy Asthma Foundation endorsed by World Allergy Organisation (WAO).
- **Delegate and chaired a session** in the 44th Annual Conference of Indian College of Allergy, Asthma & Applied Immunology (ICAAICON02010) on 22nd Oct to 24th Oct 2010 at GMC&H, Udaipur.
- **Delegate** - World Allergy Organization-International scientific conference,, 5th to 8th December ,Dubai,UAE.

Dr. Gangaboriah :

- **Resource person** in the orientation to research methodology and biostatistics sponsored by the Rajiv Gandhi University of Health Sciences, Karnataka for the Medical and paramedical Post-graduate students at different colleges and cities of Karnataka.
- **Resource person** in the orientation to research methodology and biostatistics for PhD students & faculty conducted by

RGUHS,Bangalore.

- **Key coordinator** and resource person in the orientation to research methodology and biostatistics for Post graduate students of KIMS, Bangalore sponsored by RGUHS,Bangalore.

Dr. D H Aswath Narayana :

- **Speaker**-3RD International Symposium on rabies,Cairo,Egypt,Dec-22-24,2010.
- **Speaker**-RIA-SAARC-ICM,Mysore.
- **Speaker**-APCRICON,10,New delhi.
- **Central council member**-IPHA
- **TOT**- IDRV & RIG administration for Karnataka state government.
- **Speaker**-Position paper on rabies-IPHA conference.
- **Coordinator(India)**- International survey on rabies immunologicals conducted by CDC,Atlanta & GARC,March,2011.
- **Principal Investigator**-Rabies clinical trials at PMU,KIMS,Bangalore.
- **Nodal Officer**,KIMS-Bangalore Injury prevalence survey, NIMHANS,Bangalore.

Dr. N R Ramesh Masthi :

- **Discussant**- 3rd International Symposium on rabies Cairo,Egypt,22-24th, Dec, 10.
- **Speaker**-RIA-SAARC-ICM,Mysore.
- **Member**— Editorial,board-RGUHS Journal of Medical sciences,Bangalore.
- **Delegate** - Harvard University & SRMC, Chennai- Faculty development workshop – 20-21st June 2010.
- **Delegate**— Sensitization workshop on IDSP,SIHFW,March,2011,Bangalore

Dr. T V Sanjay

- **Delegate** - Harvard University & SRMC, Chennai- Faculty development workshop – 20-21st June 2010.
- **Attended** workshop on GCP,RGUHS.
- **Attended** workshop on Helinet,RGUHS.

Dr Chitra Nagaraj:

- **Medical Officer** I/C- Preventive Medicine Unit ,KIMSHR&C,Bangalore.
- Awarded the **FAIMER Fellowship** for successful completion of the two year Fellowship Programme.
- Successfully completed the Leader Net seminar "Improving the Design, Delivery and Evaluation of Capacity Building from May 10 – 14, 2010.
- **Delegate** at the Allergy Workshop conducted by Indian Academy of Allergy at Mysore, from 4 – 8 August 2010.
- Conducted Study Skills Classes for first year MBBS students in four batches from 13 – 16, December 2010.
- **Coordinator**, Medical Education Unit, KIMS- Organized and conducted the 1st MET Workshop for KIMS faculties across various departments

Dr. H S Ravish:

- Awarded the young scientist award by the APCRI at APCRICON,2010 held at Delhi.
- **Discussant** -3rd International Symposium on rabies, Cairo, Egypt, Dec-22-24,2011.
- Principal Investigator**-Rabies clinical trials at PMU,KIMS,Bangalore.
- TOT**- IDR & RIG administration for Karnataka state government.

Dr. Koradhanyamath

- **Coordinator**— H1N1 vaccination of medical & Health Staff at KIMSH&RC, Bangalore.
- **Principal Investigator**-Evaluation of MDA programme for filariasis at Bidar district,Karnataka,7th –11th February, 2011.

Dr. Jayanthi Srikanth

- **Coordinantor**— Pilot project onUrban Health Mission.
- **Hand Hygiene** - Principal Investigator in the multicentric study on hand hygiene by IPHA .

Post Graduates:

Dr. S P Prashanth Kumar & Dr. N Shakila had completed the course successfully. Dr. M R Satish Chandra, Dr. Jahnavi Rajgopal, Dr. V Veena& Dr. S Rekha are the new postgraduates to have joined the department from 3rd May 2010.

Interns:

About 100 interns from the 2005 batch had completed the internship training programme successfully. During the course , the interns were trained at the RHTC,UHTC & PMU . A few of the interns had also actively participated in the pilot project of the urban health mission ,adopt a village project,etc.

Staff Promotions:

The following staffs have been promoted **Dr. Gangaboriah & Dr. D H Aswath Narayana** from Associate Profesor to Professor. The following staffs have been promoted **Dr. T V Sanjay, Dr. Chitra Nagaraj, Dr. H S Ravish & Dr. Jayanthi Srikanth** from Assistant Professor to Associate Professor.

-X-X-X-X-X

The editorial board of the annual news letter would like to thank **Dr Ajay Hegde** (Awarded the outstanding student of KIMS),webmaster, department of community medicine, KIMS, Bangalore for his untiring support and contribution in the success of department website.
