Dr. B M Rudraprasad
(14-2-1977 --- 1-05-2010)

The staff and students of the department of Community Medicine, Kempegowda Institute of Medical Sciences, Bangalore deeply mourn the sad demise of **Dr. B M Rudraprasad** Assistant Professor, Medical Officer In Charge, Preventive Medicine Unit (PMU), Department of Community Medicine, KIMSH&RC, Bangalore. Dr. B M Rudraprasad joined KIMS in 1996 as an undergraduate student. He subsequently joined the department of Community Medicine as a MD student in 2003 and passed the examinations in 2006.

On 24/11/2006 he joined the department as a Lecturer and was posted in the allergy clinic in KIMS Hospital. In March 2007 he was made M/O-In charge, PMU, KIMSH&RC, Bangalore. Under his leadership the allergy clinic grew from strength to strength. He was an important member of a number of pioneering studies conducted in the allergy clinic. He was very committed to his work and was very dependable. He was friendly, humble, and a gentleman. His absence from the department is deeply felt and the loss irreplaceable. The college & department has lost a valuable faculty member. May his soul rest in peace.
