

Kempegowda Institute of Medical Sciences,Bangalore
Department of Community Medicine

3rd Alumni meet ,12th August,2023.

Venue : KIMS Hospital & Research Centre, VV Puram, Bangalore-560004

The 3rd alumni meeting was held on 12th August 2023 at KIMS ,VV Puram following KACHCON 2023. A total of 46 alumni had attended the conference . This was the 30th year since the first post graduate joined the department and alumni from various graduating batches, spanning from 1993-2019 attended .It was heartening to see the diverse range of professions and industries that our alumni have excelled in. Dr. M K Sudarshan, former Dean and Principal and Professor of Community Medicine, KIMS, Bangalore and Dr.Gangaboriah former professor of statistic were special Invitees.

The meeting commenced with a warm welcome extended to all attendees by Dr. B J Mahendra, President, PG alumni . An introduction was given, highlighting the purpose and objectives of the alumni meeting. The newly joined alumni and the new Post Graduates of the department were introduced.

Dr. N R Ramesh Masthi, Head of the department and Dr. D H Ashwath Narayana, Professor from the Department of Community Medicine provided updates on recent developments, achievements, and future plans of the institution. This included information on new programs, infrastructure enhancements, initiatives taken to strengthen the institution's educational program for the post-graduates through the Alumni. A voluntary seed money to be collected from alumni was mooted and overwhelmingly supported.

Several alumni shared their professional achievements and experiences. These success stories served as inspiration for current students . Potential collaborations, mentorship opportunities, and ways to contribute back to the institution by the alumni was discussed .

Attendees were encouraged to provide feedback and suggestions on how the department can further support its alumni network. Ideas were shared on organizing future events, alumni mentoring programs, and strengthening alumni engagement.

An organizing committee was formed to compile the alumni details and work towards implementing the Post Graduate training sessions -Dr. N R Ramesh Masthi, Dr. Pradeep BS ,Dr.Lalitha and Dr.Divya BG.

We extend our gratitude to all the attendees for their active participation and look forward to continued engagement with the alumni community.

Commemorating the achievements of our alumni, whose impact extends far beyond the campus walls. #Legacy of Excellence
